

ROSSO CELTICO

Grapes:

Merlot and Cabernet Sauvignon.

Harvest:

Manual harvest from mid to late September.

Wine making and ageing:

It ages 12 months in barriques, 48 months in large oak barrels followed by 12 months of bottle-ageing.

Colour:

Dark and bright ruby red.

Aroma:

Very wide nose of berries, chocolate cherry, violets and a mild spicy note of star anise. Afterwards it displays fully developed aromas of leather, sealing wax, Kentucky tobacco and black coffee.

Sensory characteristics:

Full-bodied wine with sweet tannin and plenty of extract to balance out the whole structure. It is juicy and rich with a surprising lush style.

You can pair it with well-structured first dishes, red meat and stewed mushrooms.
